ABOUT THE UNIVERSITY

IIS (Deemed to be University), Jaipur is among the pioneers in Rajasthan in imparting high quality education to women in different streams. It is known for excellence in delivering value-based education to students and encourages them to think innovatively in different walks of life. It particularly focuses on preparing students to become world ready citizens, who are abreast to take any professional and social challenges with an educated and empowered mind.

About Centre for Research, Innovation and Training (CRIT)

Research, Innovation and Training are an integral part of the development of an institution of higher education. The quality of research and development being pursued and promoted at such institutions is indicative of their commitment to quality, and for ensuring significant research outcomes. For this purpose, the University has established the Centre for Research, Innovation and Training (CRIT) with an aim to giving impetus to research by way of workshops, seminars and conferences to train and encourage students as well as faculty members to take up research-based activities. The Centre endeavours to do so by facilitating and monitoring research-based initiatives by organizing periodic trainings workshops and courses in new and emerging research areas. In sum, CRIT attempts to identify and tap inter and multi disciplinary research prospects for fostering a robust learning environment.

ABOUT WORKSHOP

This workshop has been planned in order to address the challenges and opportunities in the field of quantitative research with the help of statistical software. This Six day workshop is for the research scholars and beginners with little or no experience in handling data with the help of SPSS & EViews.

SPSS & EViews enables researcher to apply wide range of statistical/graphical and analytical techniques for data analysis. The workshop aims at making the participants acquainted with the SPSS & EViews interface followed by the training on advanced statistical methods.

ABOUT JAIPUR

Jaipur, the pink city of Rajasthan is famous for its unique architecture, vastu, astrology, forts, monuments, palaces, art and crafts, culture and food. Here tradition, antiquity and the old charm of the bygone era mingle seamlessly with modernity and technology. This fascinating city with its romantic charm of history and a touch of modernity is sure to mesmerize you. The old city 'North Jaipur' has been recently declared as 'the heritage city' by the UNESCO and the Amber Fort and City Palace are on choice of every tourist visiting Jaipur.

WORKSHOP OBJECTIVES

- To use SPSS & EViews to conduct data analysis
- To identify right analytical tool for conducting data analysis.
- To enhance the analytical skills to promote quality research.

IMPORTANT DATES

- Last Date for Registration 15 February 2020
- Dates of Workshop 24-29 February, 2020

REGISTRATION DETAILS

Registration fee

- Persons from Industry Rs.5000
- Faculty members Rs 3000

7 Day National Workshop on “Emerging Online Business in India”

4-10 December 2019

Organized by
Department of Accounting and Taxation
Department of Management Studies

INTRODUCTION:

The faculty of Commerce and Management, IIS (deemed to be) university, Jaipur, is organizing a seven day workshop on "Emerging online business in India" from December 4 to December 10, 2019.

Online business is one of the fastest growing segments in the Indian economy. There has been huge surge in investment and more is expected in coming years. The rapid growth in use of mobile and internet uses has facilitated online business in both urban and rural areas. Regarded as the most promising application of information technology, it has enabled the businesses to augment their internal efficiency and to expand their operations globally, thus surpassing geographical barriers. This workshop is designed to impart knowledge on multiple uses and benefits of online business to the aspirants.

OBJECTIVES:

The workshop has been designed to achieve the following objectives:

1. To make the participants familiar with the basic concepts of Online Business.
2. To examine the growth of Online Business in both physical and financial terms.
3. To evaluate the benefits obtained from Online Business.
4. To critically analyse the barriers and constraints involved in managing Online Businesses in India.
5. To develop a framework for effective dissemination of Online Business in India.

TARGET PARTICIPANTS

Under Graduate & Post Graduate students and Research Scholars from Commerce and Management.

TOPICS TO BE COVERED

- ☐ Impact of Online Business on Society
- ☐ Investment Avenues & Portfolio Management
- ☐ Stock Market Perspective
- ☐ Demat Account and Online Trading
- ☐ Financial Derivative Market
- ☐ E-Filing of Income Tax Return
- ☐ E-Filing of Goods and Service Tax Return
- ☐ Growth opportunities in Online Business

7-Day Workshop on Advanced Techniques in Biological Sciences

6 December - 12 December, 2016

Time : 9:30 am to 4:30 pm

**Organized by
Centre for Research, Innovation and Training (CRIT)**

THE IIS UNIVERSITY

deemed to be a university under section 3 of UGC Act., 1956

SFS, Gurukul Marg, Mansarovar, Jaipur-302020
Ph : 0141-2397906, 2400160, 2400161 • Fax : 0141-2395494
Email : crit@iisuniv.ac.in • Web : www.iisuniv.ac.in

ABOUT THE WORKSHOP

In the present research scenario, Advanced Techniques have become an essential pre requisite to carry out quality research. Various such techniques are used in different fields of biology to solve particular environmental and biological problems. New applications of such techniques continue unabated in all spheres of life.

In this workshop, the participants will be familiar with the hands on practices of many basic as well as advanced techniques of cell culture handling, maintenance, preservation and their usage in various molecular biology aspects.

In this regard, the workshop will be helpful for the participants to learn various techniques associated with animal cell culture and molecular biology, including DNA & protein isolation, electrophoresis, PCR etc. Invited lectures from eminent scientists will further facilitate the understanding and learning.

OBJECTIVES OF THE WORKSHOP

The workshop will give an overview of molecular biology application in Biotechnology. It will also include hands on sessions on basic techniques used in molecular biology such as :

- ☐ Plasmid DNA Isolation ☐ PCR ☐ Gel Electrophoresis ☐ SDS PAGE
- ☐ Immunocytochemistry ☐ Advanced Cell Culture Techniques ☐ Cell Proliferation Assay

TARGET PARTICIPANTS

The proposed workshop is meant for Postgraduate students, Research scholars and faculty members of Bioscience.

DATES AND VENUE

Date : 6-12 December, 2016
Venue : The IIS University
 SFS, Gurukul Marg, Mansarovar, Jaipur-20

HOW TO APPLY

The duly filled in registration form should reach the University reception, on or before 1 December, 2016. The registration form can be downloaded from our website: www.iisuniv.ac.in.

Selection : Selection will be based on first come first serve basis. Thirty participants will be selected.

Certificate : A Certificate for attending the workshop will be issued.

ABOUT THE IIS UNIVERSITY

The IIS University is a deemed- to-be-a-university (placed in category 'A' by MHRD, Government of India) under the section 3 of the UGC Act, 1956.

With over 4500 students and 215 staff members, the University offers UG, PG and Doctoral programmes in Arts, Science, Commerce, Home Science, Management and Computer Science & IT.

In a national survey by AC-Nielson-ORGMARG in April-May 2010 for the India Today Magazine, ICG is rated as the top college in the state in Arts, Science and Commerce streams. Ranked among the top 30 institutions of the country in this survey, the college has become a symbol of quality education and women empowerment grooming the young girls into World Ready Women.

ABOUT CRIT

Centre for Research, Innovation and Training (CRIT) at the IIS University, Jaipur has been established with a vision to collaborate with the industry and other organizations to undertake cross-functional research and development while developing a symbolic setup leveraging competencies of both industry and academia for societal development. CRIT aims to provide an enabling environment for continuous development and growth of faculty and students for transforming them into real propositions through research, incubation and Industry-Institute-Interaction leading to development of futuristic and commercially viable technologies and businesses. CRIT has organized following Workshops/Seminars to promote quality research:

1. ICSSR Sponsored Ten Days Course on Research Methodology from 10-19 September, 2013.
2. Seven Days National Workshop on Research Methodology & Statistical Analysis Using IBM SPSS from 10-16 June, 2014.
3. Eight Days National Workshop on Research Methodology & Statistical Analysis Using IBM SPSS from 02-09 July, 2014.
4. Two Days National Workshop on Ethics in Scientific Writing and Plagiarism from 07-08 November, 2014.
5. Two Days National Workshop on Research Plan & Proposal in collaboration with IQAC from 13-14 February, 2015.
6. ICSSR Sponsored Two Day National Seminar on Women Empowerment and Inclusive Growth from 13-14 March, 2015.
7. ICSSR Sponsored 2-Week Capacity Building Workshop on Research Methodology for Young Faculty in Social Sciences from 21 May-04 June, 2015.
8. Four Days Workshop on Teaching Methodology in collaboration with IQAC from 05-08 August 2015.
9. ICSSR Sponsored Two Day National Seminar on Higher Education in 2025: Growth, Challenges and Opportunities from 20-21 November, 2015.
10. Seven Day Workshop on Research Methodology for Faculty of Science, 26 March 2016-1 April, 2016
11. Seven Day Workshop on Research Methodology for Research Scholars (Faculty of Arts & Social Science & Commerce & Management), 4-11 April, 2016.
12. 2-Week Workshop on Research Methodology for Faculty members and Research Scholars, 15-28 June, 2016.
