## Minutes of Committee to moderate the Syllabi of Electives and Foundation Papers of Sociology, Women Studies, English Literature and Foundation (Hindi/German/French) for Special Students held on 20 July 2016 at 2:00 pm

The following members were present :

S.No.	Name	Designation
1.	Prof. K.S. Sharma Advisor, The IISU, Jaipur	Chairperson
2.	Ms. Deepak Kalra Director, Umang, Jaipur	Special Invitee
3.	Prof. Nisha Yadav Controller of Examinations, The IISU, Jaipur	Member
4.	Dr. Arti Sharma Head, Dept. of Sociology, The IISU, Jaipur	Member
5.	Dr. Rani Rathore Head, Dept. of English, The IISU, Jaipur	Member
6.	Prof. Roopa Mathur Dean, Academics, The IISU, Jaipur	Convenor

The following could not attend the meeting :

S.No.	Name	Designation
1.	Prof. N.K. Jain Dean, Faculty of Arts and Social Sciences, The IISU, Jaipur	Member
2.	Ms. Chanda Asani Lecturer, Dept. of Women's Studies, The IISU, Jaipur	Member

The meeting began with the Chairperson welcoming all the members of the committee.

Thereafter the agenda of moderating the syllabi of electives and foundation papers of Sociology, Women's Studies, English Literature and Foundation papers English, Hindi/French/ German was considered. In the light of the ensuing discussion, the following recommendations were made :

1. As per the inputs from Ms. Deepak Kalra, the external expert, the existing syllabi of all the aforementioned papers are found to be of the level which the special students admitted to this programme can study comfortably. Therefore, it is recommended that the existing syllabi should not be moderated or toned down.
2. These students with special needs should attend classes with the main stream students.

# THE IIS UNIVERSITY

deemed to be a university under section 3 of UGC Act., 1956

3. The examination scheme and pattern of question papers should be changed for these students to include more objective type questions and short answer type questions. The Controller of Examination, Dr. Nisha Yadav has been requested to get the blue prints of these papers prepared and approved. The Examination Cell will make arrangements to provide for a scribe **each** for these students for the internal as well as Semester End Examinations.
4. Promotion Scheme - These students may be promoted from an even semester to the next higher semester if they earn 16 credits out of the 48 credits assigned to the electives in the two semesters of that academic year.
5. Award of Certificate /Diploma/ Degree – The performance of these students may be reviewed at the end of six semesters or thereafter on the request of the candidate and they may be awarded Certificate /Diploma/Advanced Diploma or Degree on the basis of their cumulative progress, as per the proposed criterion given below :

Credits earned out of the total 144 credits	Type of award
32	Certificate in Arts
64	Diploma in Arts
96	Advanced Diploma in Arts
144	Degree (Bachelor of Arts)

6. In order to promote the spirit of social responsibility amongst the students of the University, it is proposed that those students who volunteer to help these differently abled students on campus, may be awarded extra two credits per semester under the category of **Credits For Social Responsibility**.
7. The other students on campus may be sensitized about these special students by the NSS volunteers, through different activities in collaboration with the Equal Opportunity Cell of the University.

The meeting ended with a vote of thanks to the chair.

**Prof. K.S. Sharma**  
Chairperson

**Dr. Roopa Mathur**  
Convenor

## Department of English

Date :4/011/2016

This is to bring to your kind notice that the question paper pattern of the language papers for specially abled students would remain same as that of the Nov./Dec.16 and April/May17 language papers, as the language papers follow different pattern in the main semester exam<sup>also</sup>. However the difficulty level of the question papers would be adjusted accordingly. The details of the papers are as follows:

Sno.	Semester	Paper Code	Paper Title
1.	I	FEN 100	Essential Language Skills
2.	II	FEN 200	Applied Language Skills

ray of hope for the visually impaired, **Rajasthan NetraheenKalyanSangh** did a tremendous job for the betterment of its students.

The sangh provide the education and boarding facility for children. The school is from 1<sup>st</sup> standard to 12<sup>th</sup> standard. There were 15 teachers which includes blind and normal teachers. There is well established hostel for boys and girls separately. The rooms are around 15 for boys and 8 for girls. In each room there were approximately 3-4 children. The students are provided 4 meals daily, breakfast, lunch ,tea and dinner.

The education, provided to the kids is free of cost. In addition, free boarding and lodging facilities are also rendered. Their only aim is to nourish and develop them so that each and everyone can live a normal life. And can break the superstition surrounding them that the blind cannot live well.

Computer education has become a necessity in every walk of life. Keeping that in view, RNKS started computer center and learning resource center in collaboration with Amway Opportunity Foundation. The objective of computer education is to empower the students so that they can keep up with the development of the technology. In turn, it will fulfill the criteria of making the visually impaired, job-ready.

**Braille** is the standard script to read and write in the world for the visually impaired and blind people. It's the only measure by which they can learn. Hence, RNKS has set up a

Braille Production Center comprising contemporary equipment and a team of well-qualified professionals, to publish books and magazines based on Braille. Furthermore, they publish the only **braille newspaper 'Braille Samacharpatra'** that informs and inspires the visually challenged people.

RNKS has come up with the **digital audio books** recording project. The books are recorded and then distributed to the destitute free of cost. RNKS has established a library consisting of braille and talking books. Any person of any age can access the books here, at zero cost.

The students really were surprised with the school, hostel and the facilities. It was a memorable experience and students learned how to use Braille and teaching aids.

## NSS SPECIAL CAMP (26<sup>TH</sup> JAN-1<sup>ST</sup> FEB 2020)

### Projects in Schools and Umang:

33 Students of special NSS camp **of Group A** participated and visited Dadabari Government school. There they all covered different subjects using creative methods of teaching from class 1st to 5th. Students of class 1st and 2nd were taught rhymes using hands, class 3rd and 4th were taught addition and subtraction using number line and also prepared for their maths exam and 5th class students were revised hindi chapters for exams. Similarly the 35 students **of Group B** went to Badmohanpur school with the project on environment. NSS. On day 1 students delivered an introductory session about environment pollution and their causes. In a week they are planning to arrange a documentary session, tree plantation and nukkadnatak. Students of the school were excited for the whole week. 32 Volunteers of **Group C** went to Kalyanpura School with the project on stress management during examination. During the discussion, first they traced out the examination pattern followed in school. Thereafter they tried to find out students' view point regarding stress before and during the examination. Volunteers have observed that there was a mixed response of students regarding stress but majority was found agreeing that they remain in stress during exam. 12 volunteers of **NSS Group D** took the project cleanliness and hygiene and went to Haziawala school. The project for students of **Group E** was on Learning Physiotherapy named "Finer and Motor Skills" for helping disabled children and learning how special children learn through these activities in special school. 26 NSS volunteers of Group-E visited the special school 'Umang' located in Kshipra Path, Mansarovar, Jaipur. To begin with the Chairperson of Umang Dr Deepak Kalra briefed them about the organisation Umang. Students have gone for a visit to the school; their classrooms and training rooms and also to the physiotherapy area. The volunteers worked into two groups; and gave them hands on learning assignment of physiotherapy named "Finer and Motor skills". In this assignment NSS volunteers will get a chance to interact with the students; and also will learn about the physiotherapy school gives to disabled students.

Umang is an initiative that strives for an inclusive society that provides equal opportunity for all, by enhancing the quality of life of individuals with various disabilities. This welfare organization works for the development of skills for employment of persons with disabilities, empowering individuals and their families to bring about positive changes and advocate the need for realisation of the rights of persons with disabilities. It also contributes to the knowledge base through continuous community intervention, research and documentation.

The organisation works towards making a positive change in the lives of people with disability by enabling them to achieve their potential and mainstreaming them to become self-reliant and participate in the society.

Umang is supported by one of the most qualified and highly experienced team of experts in Rajasthan. The specialised team consists of special educators, qualified academic teachers, physiotherapists, speech and language experts, occupational therapists, psychologists, artists and theatre experts and qualified vocational trainers. Other experts include counselors, neurologists, orthopedic surgeons, pediatricians etc.

Umang has a diverse range of services to enable holistic development of children with special needs. Every child is different and therefore needs a customized approach to learning. At Umang, we outline a specific growth plan called IEP (Individual Education Plan) for every child according to his/her needs. Our basic structure of services include: Centre for Special Education, Sports, Leisure and Recreation, Physiotherapy, Speech Therapy, Home Management and Counseling, Advocacy and Awareness and Vocational Training and Employment.

Vocational Training: Cooking

## **GUEST LECTURE-DISABILITY SENSITIZATION**

**Name of the Event:** Guest Lecture

**Date:** 23<sup>rd</sup> August, 2016

**Resource Person:** Dr. Deepak Kalra, Director Umang

**Venue:** Srijan Hall

The students of psychology attended a Guest lecture on 'Disability Sensitization' on 23<sup>rd</sup> of August 2016.

People from Umang a non- profit organization acquainted the students about the problems faced by specially abled children which include learning difficulties like dyslexia, speech difficulties, autism , cerebral palsy and other mental challenges.

In order to sensitize the students on 'how it feels to be disabled and different from others' some of them were blindfolded, while others were made to sit on wheelchairs and assigned different tasks on campus.

Thus the students learnt the experiential differences between empathy and sympathy and how a team of speech therapists, language trainers, counsellors, psychologists etc work together in order to make the lives of such specially-abled individuals both beautiful and meaningful.
