Introduction

IIS(deemed to be University) takes immense pleasure in announcing Online Faculty Development Programme on Drupal, R and Python from 12 August to 1 September 2022.

● First Programme is launched on Drupal from 12 August – 18 August 2022 (7 days). Drupal is content management software(CMS) which is used to create websites and applications.It is free and open source CMS which gives tools to manage the content and structure of website.

●Second Programme is launched on R Programming language from 19 August to 25 August 2022 (7 days). R programming language is used extensively in statistics, data analysis, and machine learning algorithms. It is a free open source language which provides support for both procedural programming and object-oriented programming.

● Third Programme is launched on Python from 26 August to 1 September 2022 (7 days). Python is one of the most powerful high level and dynamic programming language which is used widely in a variety of application domains.

About IIS(deemed to be University), Jaipur

IIS (deemed to be University), Jaipur is among the pioneers in Rajasthan in imparting high quality education to women in different streams. It is known for excellence in delivering value-based education to students and encourages them to think innovatively in different walks of life. It particularly focuses on preparing students to become world ready citizens, who are abreast to take any professional and social challenges with an educated and empowered mind. With over 5000 students and more than 233 staff members, the University offers UG, PG and Doctoral programmes in Arts, Science, Commerce, Home Science, Management and Computer Science & IT. Established in 1995 as the international college for girls, affiliated to the University of Rajasthan, the college has crossed significant milestones in its journey towards excellence in higher education. Besides was accredited by NAAC of UGC, recognized as a college with potential for Excellence (CPE) by the UGC and selected as a model college by the state government.

With the grant of memberships of the Association of Indian Universities (AIU), the Association of Common wealth Universities (ACU) and of Association of Universities of Asia and the Pacific (AUAP) along with the grant of 12-B Status by the UGC, accreditation by NAAC-UGC in 2014, the University is committed to achieving even higher standards in the field of higher education.

About Spoken Tutorial Project
