PREPARATORY CLASSES

CENTRE FOR PREPARATORY CLASSES

ABOUT IIS (deemed to be Univeristy)

IIS (deemed to be University) is a cosmopolitan and vibrant deemed-to-be-a-university and is amongst the first thirty eight universities in India placed under category '1' by the Ministry of Human Resource Development, Government of India. It is known for excellence in imparting meaningful education to students and to encourage them to think innovatively. It particularly focuses on empowering women to face the challenges of life with confidence and also provide creative leadership in the times to come.

IIS (deemed to be University) NET PREPARATORY CLASSES

'Not many have the strength to give wings to their dreams, But those who do, reach peaks of success that others are unable to."

"IIS (deemed to be University) is defined by its success. The learning and success of our students has always been and will always be the benchmark for all that we do."

-Dr. Ashok Gupta
Chancellor, IIS (deemed to be University), Jaipur

The University provides an inspiring learning environment through regular preparatory classes for UGC-NET, wherein highly experienced faculty and subject experts mentor the students one-on-one through interactive sessions.

MISSION

The UGC-NET examination is a national level examination and the level of the exam is high. Our mission is to help candidates to acquire subject knowledge, confidence and competence to emerge successful. We at the IIS (deemed to be University) strive to make sure that your UGC-NET preparation culminates in attaining your goal.
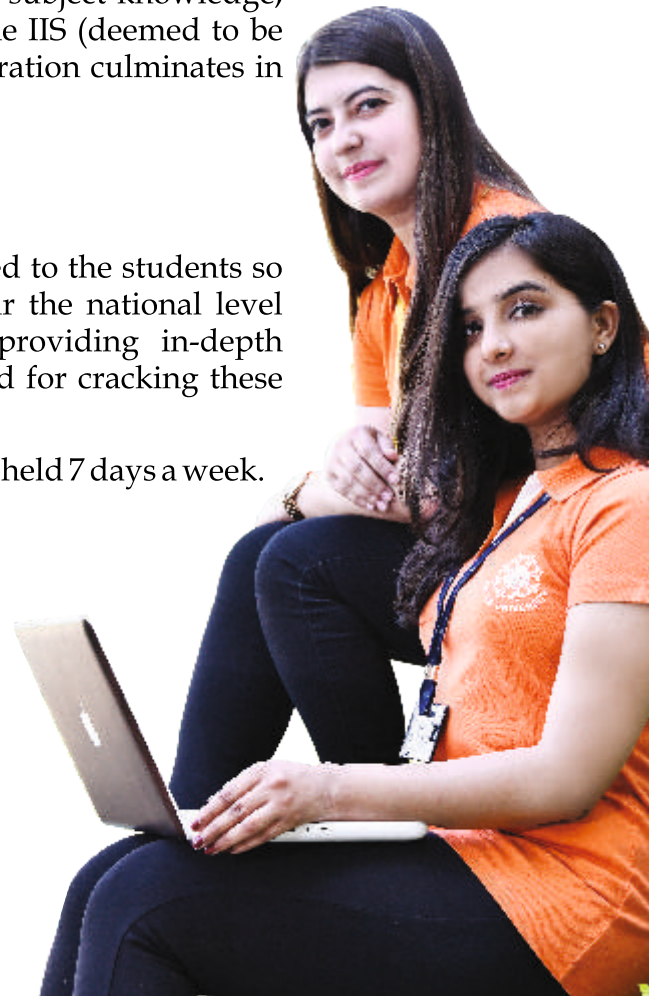

TEACHING METHODOLOGY

A six months course along with post-graduation is provided to the students so that they are simultaneously prepared to confidently clear the national level exam. The methodology adopted in these classes is providing in-depth knowledge of paper I along with paper II subjects required for cracking these exams.

The course duration would be 6 months and classes would be held 7 days a week.

The students would be provided:

- Study material
- Worksheets
- Test series
- Online test series with video solutions
- Free trail classes for 3 days

UGC-NET JRF

The National Eligibility Test (NET) is conducted on behalf of the University Grants Commission (UGC) for determining the eligibility of Indian nationals for the eligibility of Assistant Professorship, Junior Research Fellowship or both, for Indian Universities and Colleges.

Awarding of Junior Research Fellowship (JRF) and/or eligibility for Assistant Professorship depends on the aggregate performance of the candidate in Paper I and Paper II of UGC-NET.

UGC-NET is conducted twice a year in the month of June and December.

UGC-NET Exam Pattern

UGC-NET Examination shall be conducted as Computer Based Test (CBT) only. The online test will consist of two papers, Both the papers will consist of objective type, multiple-choice questions. There will be no break between the two papers.

Paper	Number of Questions	Marks	Duration
Paper I	50	100	3 hours
Paper II	100	200	(180 minutes)

Note: For each correct response the candidate will get 2 marks but there is no negative marking for incorrect answer.

UGC-NET Syllabus

Paper I : The main objective is to assess the teaching and research capabilities of the candidates. Therefore, the test is aimed at assessing the teaching and general/research aptitude as well as their awareness. They are expected to possess and exhibit cognitive abilities. Cognitive abilities include comprehension, analysis, evaluation, understanding the structure of arguments and deductive and inductive reasoning. The candidates are also expected to have a general awareness and knowledge of sources of information. They should be aware of interaction between people, environment and natural resources and their impact on quality of life. The details are given in the following sections:

Note: Each section gets equal weightage: five questions and 10 marks from each section.

Note: Five questions each carrying 2 marks are to be set from each module.
